GOVERNMENT 5-STAR SAFETY RATINGS

Overall Vehicle Score

Not Rated

Based on the combined ratings of frontal, side and rollover.  
Should ONLY be compared to other vehicles of similar size and weight.

|                                                                                                                           |                      |                        |
|---------------------------------------------------------------------------------------------------------------------------|----------------------|------------------------|
| Frontal Crash                                                                                                             | Driver Passenger     | ★★★★★<br>★★★★★         |
| Based on the risk of injury in a frontal impact.<br>Should ONLY be compared to other vehicles of similar size and weight. |                      |                        |
| Side Crash                                                                                                                | Front seat Rear seat | Not Rated<br>Not Rated |
| Based on the risk of injury in a side impact.                                                                             |                      |                        |
| Rollover                                                                                                                  |                      | ★★★★                   |
| Based on the risk of rollover in a single-vehicle crash.                                                                  |                      |                        |

Star ratings range from 1 to 5 stars (★★★★★) with 5 being the highest.
